いままでのあらすじ

昭和四〇年代、空き地に秘密基地を作り、21世紀を語り合っていたケンヂと仲間達――悪の組織の世界征服計画を阻止する正義の味方を夢見て、他愛のないシナリオを描き、それを"よげんの書"と名づけていた。

一九九七年、失踪した姉キリコの娘カンナを育てながらコンビニを営むケンヂは、ミュージシャンとなる夢も破れ、どこにでもいるつまらない大人になっていた。だが彼の周辺で起こる奇妙な事件が、子供の頃に書いた"よげんの書"通りであることに気づいた時から、彼は巨大な事件に巻き込まれることになる。"ともだち"と言われる謎のカリスマが本気で世界の征服を計画していることに気づいたケンヂは、幼なじみを集めて立ち上がる。しかし、"ともだち"の巧妙な計略に嵌り、20世紀最後の日、テロリストの汚名を着せられ行方不明に。逆に"ともだち"は惨劇を救った英雄となる。

二〇一五年、"ともだち"は暗殺されてしまうが、ローマ法王の前で復活。英雄から神の子に昇りつめた。彼はその一方、ウイルスをばら撒き、世界を滅亡へと追い込む。

三年後、世界大統領として君臨する"ともだち"はわずかに残った人類に完全滅亡計画を遂行する。

その時、奇跡的に20世紀最後の日を生きのびたケンヂが彼の前に立ちふさがる。

"ともだち"は遂に倒れ、平和は甦ったかに見えたが、悪夢はまだ続いていた。

UN
UN
Damn it!!
Uncle Kenji...
No! Relay a message for us!!
Just give it up now!!

Tell them to let us through!!
The UN Forces wont be able to dispose of the anti-proton bomb!!
We're trying to resolve that our-selves!!
Are you trying to fool the world again?
We were fooled by Friend who sent the world into a blood bath.
Wha ..!?

demon daughter!!
Aren't you, Friend's...
You're trying to fool us yet again with promises of impossible powers.

Listen up!! This girl here...

You're wrong!!

!!!
?

Mumbling a demon spell...
See! She's up to something!!

!!

can you hear me...?
please...
Help us...

Kanna ...

Can you hear me? Uncle Kenji...

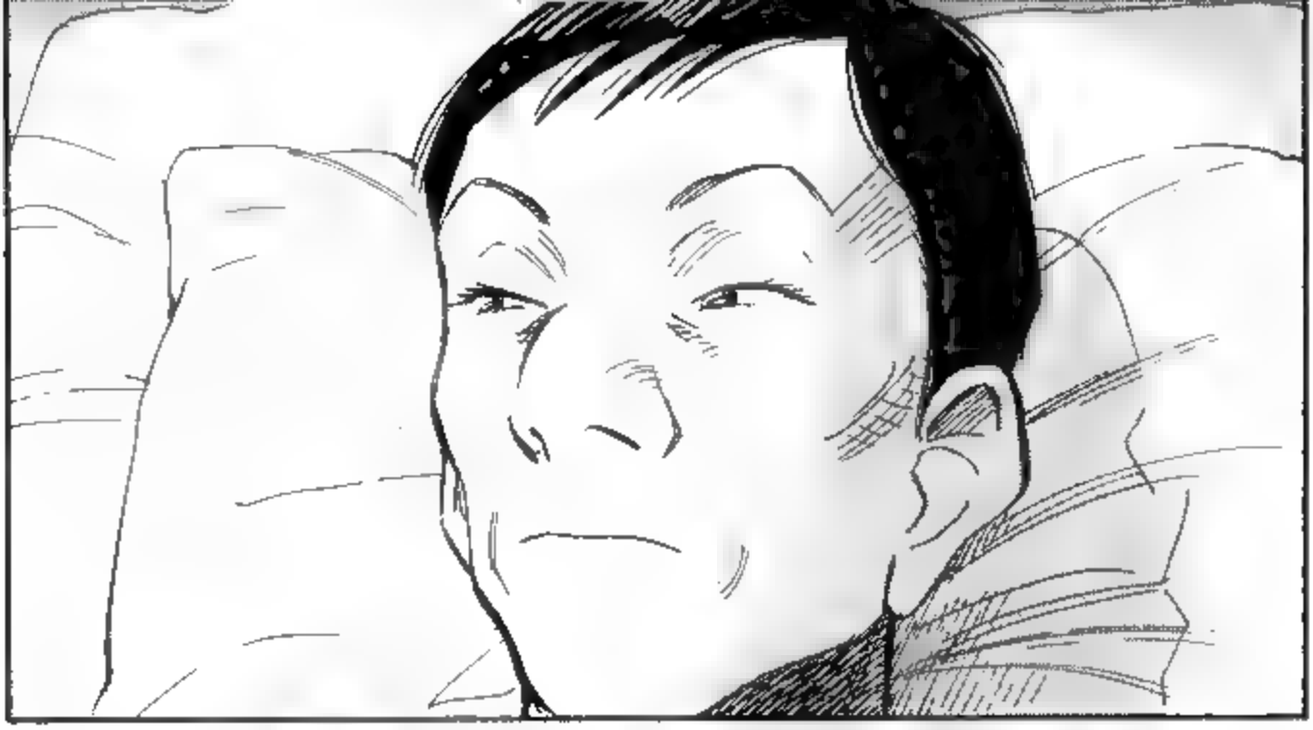
Uncle...

Someone call me...?
CHAPTER 10
THE REMNANT OF A DEMON

Suchou prison
Hospital

Why did you try to run away?

You said you'd talk if it was to me?



They're stepping up your security now, you know
The UN Forces want to know about the whereabouts of the anti-proton bomb as soon as possible.

Is the child you're carrying ok?

Get me out of here.

Talk. Tell me about the bomb...

That's why they brought me here to see you

I'm no longer under Friend's spell...
Please, anywhere but here
I can't, Ms Takasu
I can't do that.
When...?
I heard about it. Apparently she had a central role in the Friend's people party...
You lot didn't know about it, did you? It wasn't well reported...
A lady from the Friend party has been killed.

!
She's also carrying Friend's child...
.....
Only this child...
The real child of Friend is here, in me...
It could have been a rumor.
Who was it?
Who did it?
I know who

Mister ...
チ…
チュン チュン
Hey, mister.
Hmm...
Hey mister, get up!!
Hmm... What...?
There was a girl in my dream!!
What the... oh it's you.
Something strange happened,

So you had a wet-dream?
yaaawn
It happens a lot with boys going through pubity...
No, it wasn't that!!
The girl in my dream was called Kanna...
I don't care about that!! Was it that Kanna!?
I don't know which Kanna it was...!!
What did you say...?
She was pretty cute. Kinda like Mayuzumi Jun or Yoshizawa Kyoko...
Anyway, she said something to me in the dream
She asked me to tell it to uncle Kenji.

!!
But what did Kanna say!?
Then..?
I asked if she meant the guy who had a goatee and always wore glasses.
Erm... The place where the anti-proton bomb's controller is hidden...
is in the secret base...

The culprit,
is a remnant from the Friend party...?

There are still those who protect and act upon the teachings of Friend.
What's there to protect ...?
The remote for the anti-proton bomb.

What do you think his followers will do then?
If that gets triggered then this time the human race will be wiped out for sure.
.....!!

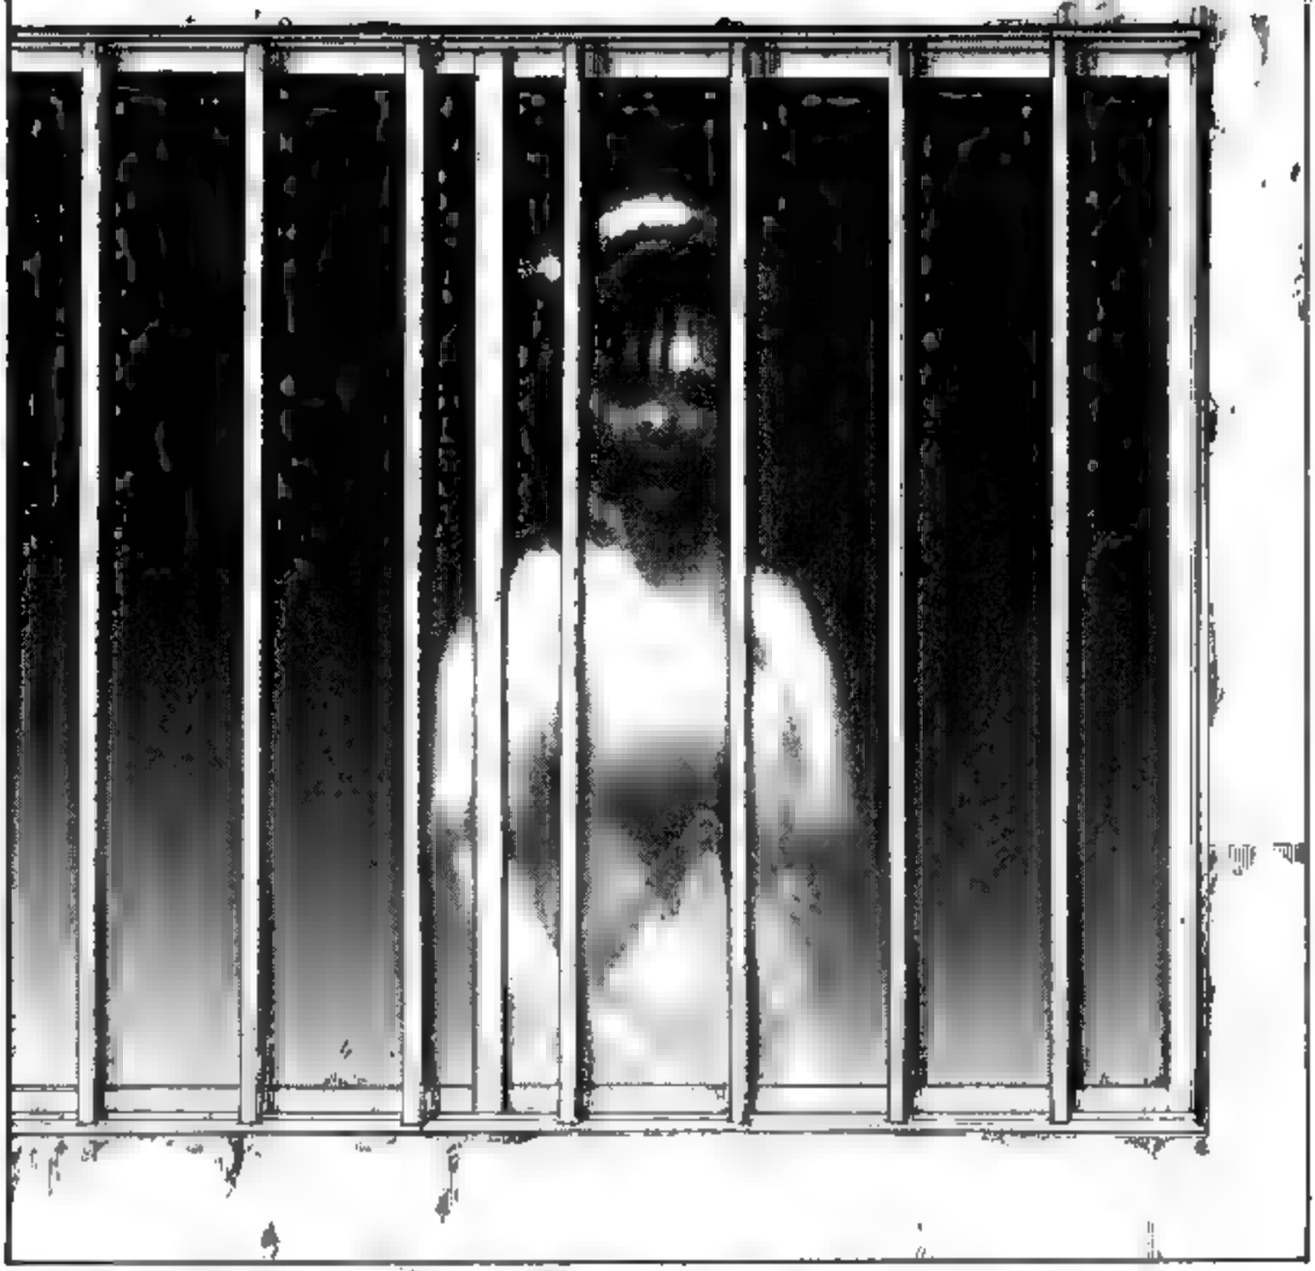
That's not going too well though. Their rocket doesn't even fly...
.....
They intend to get on a rocket for mars.
However, they're after me now.
Where's the remote?
I don't know.

I saw her from this window.
Me and this child.

Over there behind that window...

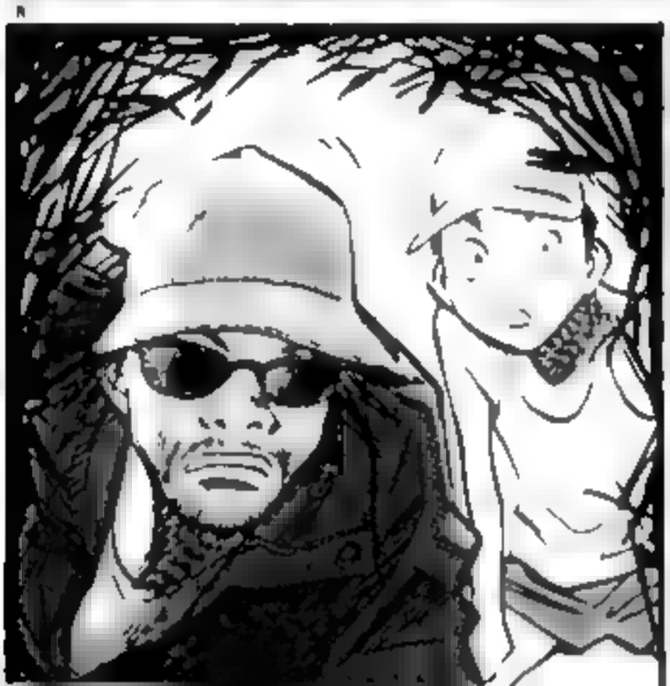
Who?

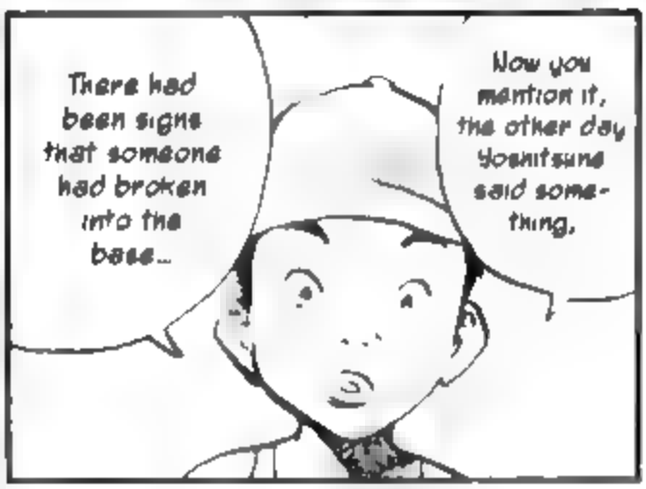
She came here too...
I'm sure of it... She was dressed up in a nurses outfit...



6
!!
You knew the person, right...?

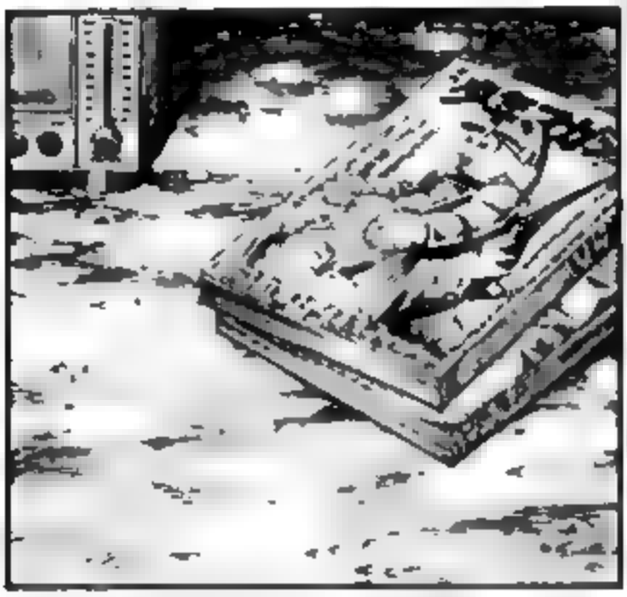
Wh..
What?
Ms. Yukiji,
We've just
had word
from central
office!!
We need
your help
in talking
to them!!
Some of
your friends
stormed into
a university
hospital and
left taking
a hostage!!
What was
that...?





There had been signs that someone had broken into the base...
Now you mention it, the other day Yoshitsune said something.

Was it always this small ?

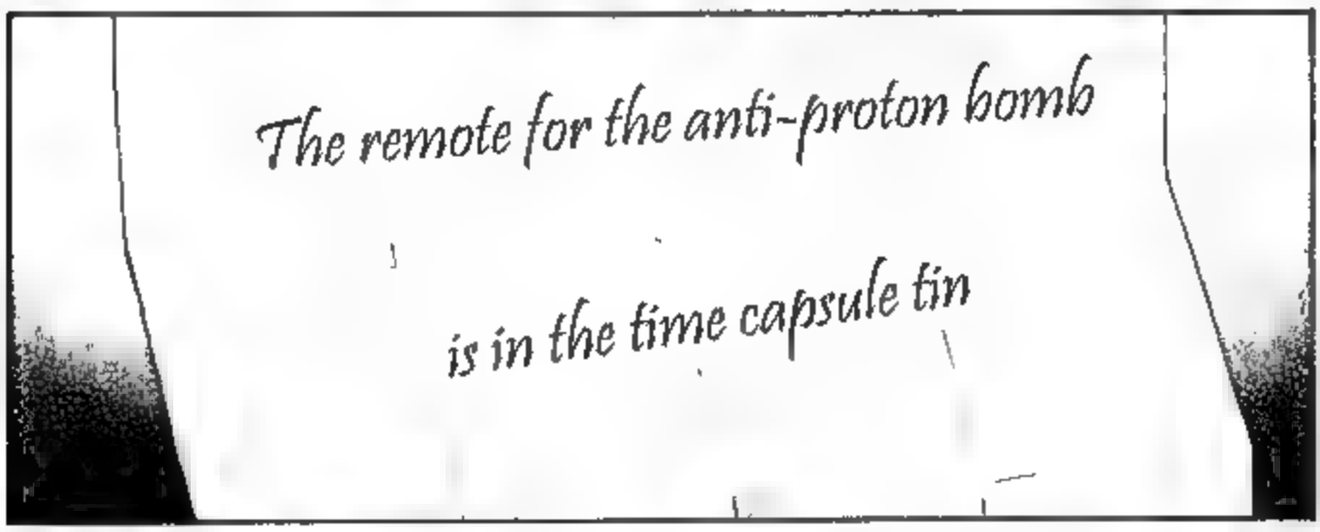


Hmm
...

You're an adult, of course it seems small. You found anything?

Ah, 'Hora Fuki dondon's' in here too
Hee Now takes me back... this is 'Muyono-suke'

Well? You got some-thing?

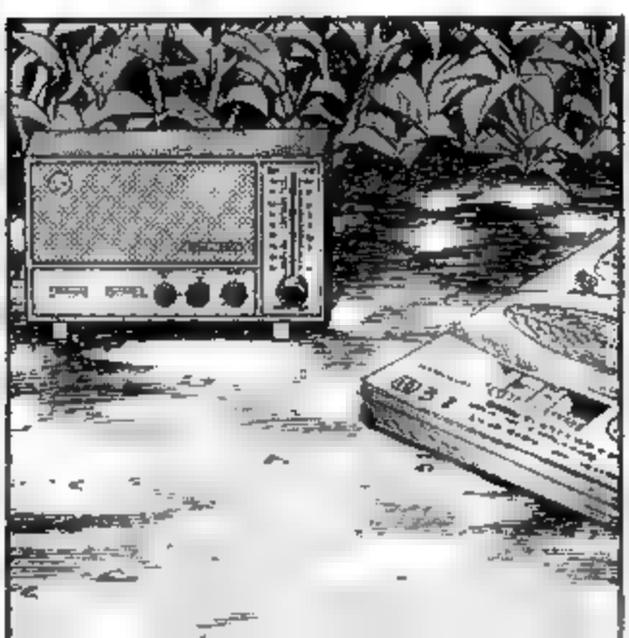


The remote for the anti-proton bomb
is in the time capsule tin

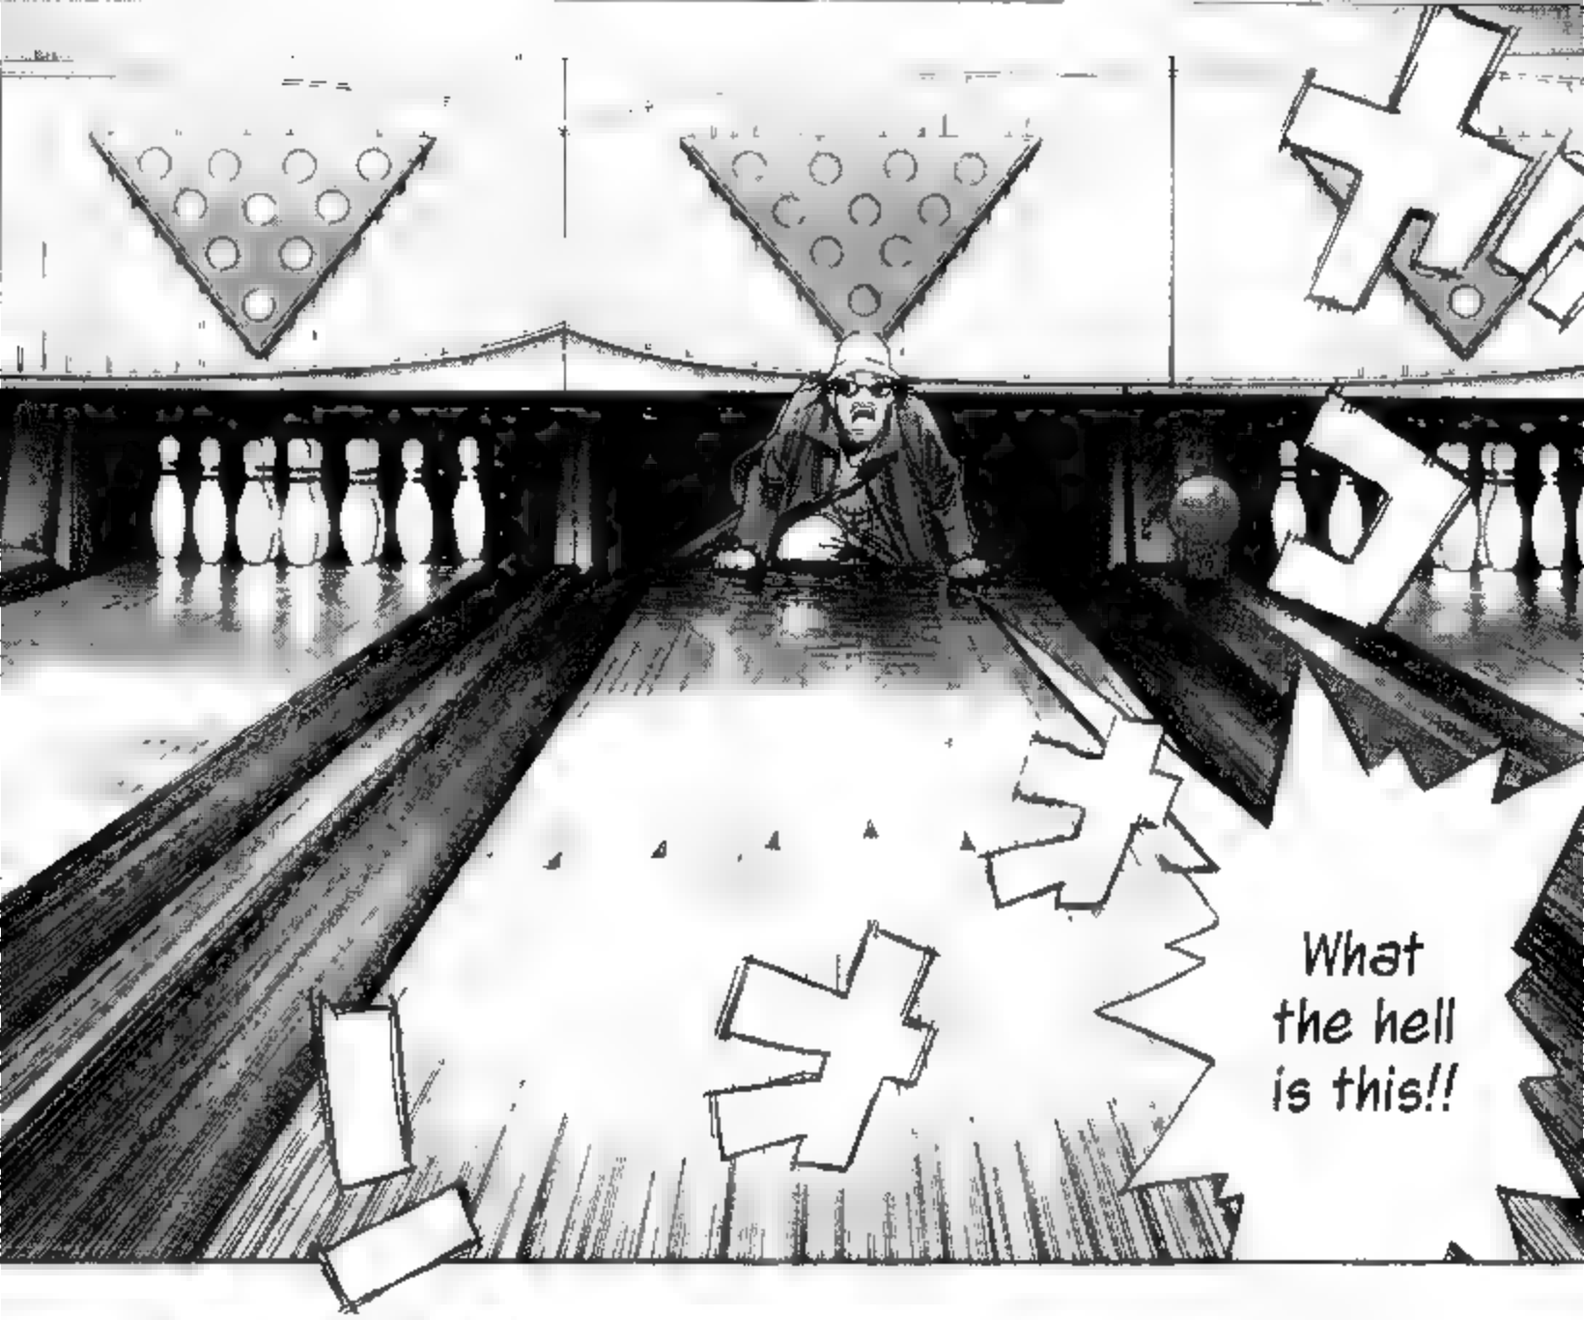
Oi, you know about the tin, right?

The tin, its not here!

In that tin, huh...?



Oi, can you hear me!?
Where's the tin!?
EH!!
Oi...



What the hell is this!!

Take me to them!!
Ok, I under-stand!!

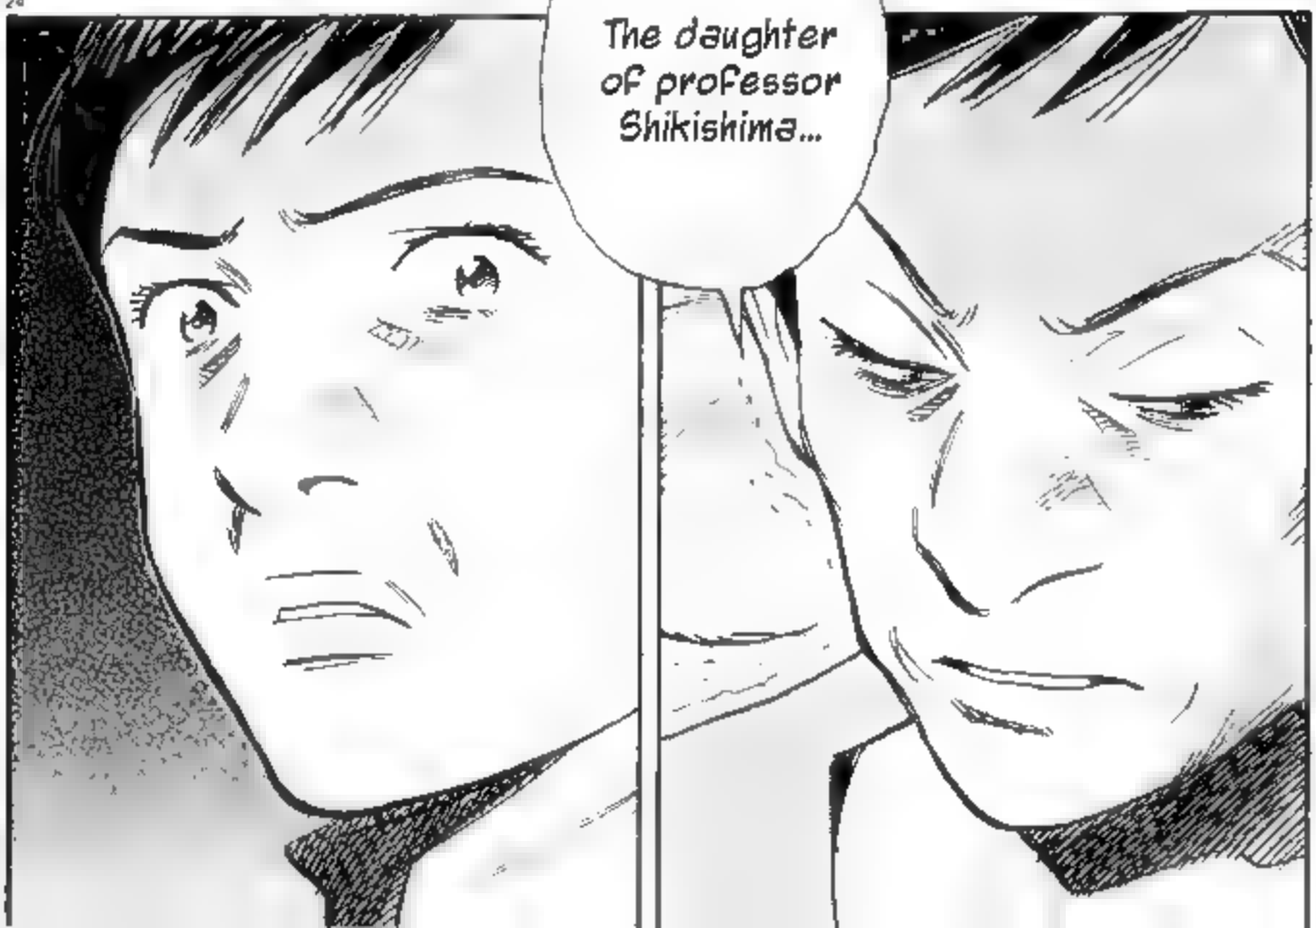
You're really shaking...
Takasu ..

Tell me who the culprit is

I'll try and negotiate you getting moved somewhere else
Ok.

The daughter.

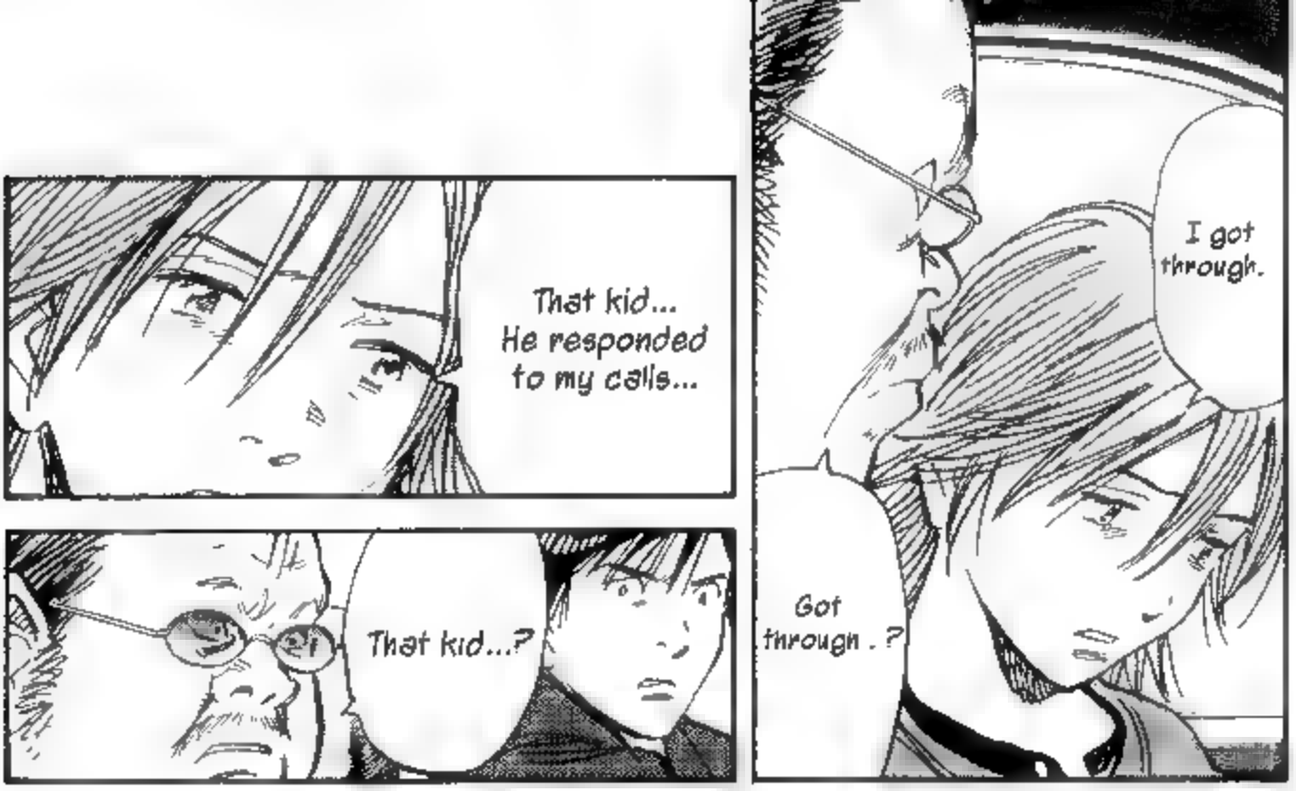
daughter ..?



The daughter of professor Shikishima...

We have you surrounded. Step away from the vehicle!!
There is someone currently on the way to carry out negotiate your demands
Demands ..!?
A negotiator!?

We're only asking that we can be allowed to meet with Kenji!!
You're the ones who are making the unreasonable demands!!
Are those UN troops thinking we're the enemies!?
Of course they are
.....!!
You're all related to events Of course we also have our doubts about Kenji too. But the most questionable person is...
Friend had the whole world in the palm of his hand.
Don't you say that!!
this devil daughter.
Uuuuuu...



That kid... He responded to my calls...
I got through.
That kid...?
Got through...?

That girl has put her life on the line to save the world countless times!!
Stop it!!
Heh, so you're done with your witchcraft for the moment then?

How many times do I need to tell you...?
Eh...!?
Even now she's trying her best to get an important message to Kenji!!
"I'll save the world"
Now that you mention it wasn't that one of Friend's slogans...?

?
Who...?
Kanna, what's wrong ...?
Who are you...?
Who...?
This time someone's calling for me...

It's possible that the remote to the anti-proton bomb might be in their hands.

There are remnants of "Friend"'s people

Aunt Yukiji, our situation has changed too!!
The location of the remote was just told to me, spoken to my heart!!
We know where the remote is!!

DOES HE DIE?

I DON'T WANT TO KILL HIM OFF...

THAT'S HIS HIGH POINT, BUT THEN HE HAS THE REST OF HIS LIFE LEFT...

THE HERO IS DEFINED AS A HERO THE MOMENT HE WINS, RIGHT?

IT'S KINDA DEPRESSING TO THINK OF IT LIKE THAT.

AS SUCH POPULAR ENDINGS INVOLVE THE HERO RIDDING OFF INTO THE SUNSET...

IT JUST KINDA LOOKED LIKE..
